## 2013 Pinot Noir, Anne Katherina Vineyard, Carneros

case production: 488, SRP: \$60

Blue Farm takes its name from the farmhouse at Anne Moller-Racke's home, and vineyard, in Carneros. In 2001, Anne planted seven acres of Pinot Noir divided into three blocks dedicated to the Swan clone and three Dijon clones. The Dijon 115 contributes perfume and power; the Swan fills the wine's middle, adding body and textural layers and the Dijon 667 and 777 lend structure. Together they produce one complete wine from the Anne Katherina vineyard.

### The Vintage

“2013 was more of an average growing season here in northern California. The year went down as one of the driest years on record, but we got some nice winter rains in November and December of 2012. A warm January and February caused early budbreak. The mild temperatures brought us an early flowering in the first week of May. A cool summer slowed the season down. Berries and clusters were small giving us great flavors and intensity.” – Anne Moller-Racke

### Blue Farm

Founded on Anne Moller-Racke’s 30-plus years of winegrowing in Sonoma, Blue Farm was conceptualized in 2001 during her planting of Anne Katherina, Blue Farm’s first estate vineyard. Blue Farm believes that an intimate understanding and connection to our vineyards is core to making site-specific Chardonnay and Pinot Noirs of the highest quality.
