## 2013 Pinot Noir, Gap's Crown Vineyard, Sonoma Coast

case production: 213 SRP: \$60

Gap's Crown is one of the highly acclaimed North Coast Vineyards known for its layered Pinot Noirs. We have two blocks that compliment each other and add complexity to the wine. Our 828 block is on the northern part of the vineyard at higher elevation, north west facing. This selection brings great acidity and perfume to the blend. Our 777 block is close to the south east corner of the vineyard on gravelly clay loam. The tiny berries are the backbone, giving the wine its structure. The wine is elegant and racy, a true representation of the Sonoma Coast AVA.

### The Vintage

"2013 was more of an average growing season here in northern California. The year went down as one of the driest years on record, but we got some nice winter rains in November and December of 2012. A warm January and February caused early budbreak. The mild temperatures brought us an early flowering in the first week of May. A cool summer slowed the season down. Berries and clusters were small giving us great flavors and intensity." – Anne Moller-Racke

### Blue Farm

Founded on Anne Moller-Racke's 30-plus years of winegrowing in Sonoma, Blue Farm was conceptualized in 2001 during her planting of Anne Katherina, Blue Farm's first estate vineyard. Blue Farm believes that an intimate understanding and connection to our vineyards is core to making site-specific Chardonnay and Pinot Noirs of the highest quality.
