The Vintage

2017 will be a year that no one forgets for a long time. The defining features of the vintage were the tremendous rainfalls we experienced in the winter and, on October 8th, some of the worst fires in California history broke out in Napa and Sonoma counties. We had just completed harvest and none of our grapes were affected, though everyone's lives were. This was a sad ending to an otherwise good year.

A mild start to the year brought early bud break on March 15th. Flowering was also early, getting underway the first week in May, which pointed us to an early harvest. The summer growing was not without surprises as we had several heat spikes in June and July. August, however, was glorious with a beautiful cycle of cool marine air in the mornings to help modulate the temperature. We began harvesting on August 28th with our Chardonnay from Laceroni Vineyard in Russian River followed by 1861 a couple days later. The heat wave in early September pushed the Anne Katherina Vineyard along. The home vineyard was harvested on September 6th. King Ridge hung out a little longer, joining the team on the 20th of September. – Anne Moller-Racke
